

PMDco Hackathon IV @ BAM

18th – 20th November 2026 | Lunch 2 Lunch

Day 1: 18th November

12:00 PM Registration and Get Together

01:00 PM	Welcoming / Motivation (BAM / HAP „Semantic Interoperability“ Lead)
	Introduction Round (all) Find Topics Fix the Agenda Find Working Groups
02:00 PM	Coffee Break (+ Nibbles)
02:15 PM	Brief Introduction to PMD Core Ontology New Structure, Concepts, Releases, Discussions
03:00 PM	Coffee Break (+ Nibbles)
03:30 PM	Group Sessions Topics
	Topic 1: (Re-)Organization of Processes (Classes) in PMDco ¹
	Topic 2: Modularization of PMDco ²
	Topic 3: Microstructure Module ³
	Topic 4: Semantic Patterns ⁴
	Topic 5: Resolving SDC-bearer Issue ⁵
	Topic 6: Coordination of Uplifting Concepts (Uplifting Party)
03:30 PM	Beginner's Course* (Parallel to Other Activities)
06:00 PM	Presentation of First Results (all)
07:30 PM	End of Day 1

¹ Processes descriptions, organization and axiomatization need to be reworked

² Discussion on organizing modules in PMDco; What is a PMDco module; Distinction to application / domain ontologies

³ Discussions / decision on conceptualization of the PMDco module representing microstructure

⁴ Documentation of semantic patterns (pattern catalogue, RAG)

⁵ Resolve SDC-bearer problem to assign different qualities to different parts / scales, e.g. "Spatially Qualified Continuant"

⁶ Application and domain ontology developers come together to identify concepts in their ontologies as candidates for uplifting to PMDco

* Beginner's course: Intro to ontologies, including "What is an ontology?" and Look and Feel in Protégé; Interested parties may have Protégé (<https://protege.stanford.edu/>) installed beforehand.

Day 2: 19th November

09:00 AM Parallel Group Sessions

11:30 AM	Plenum: Show Your Results and Pull Requests, Part 1
12:15 AM	Group Picture
12:30 PM	Lunch @ BAM Canteen
01:40 AM	Plenum: Show Your Results and Pull Requests, Part 2
03:00 PM	Continued Sessions
	Expert Round Discussion
03:30 PM	Coffee Break
04:00 PM	Continued Sessions
04:45 PM	Coffee Break
05:00 PM	Plenum: Presentation of Results from the Group Sessions
06:30 PM	End of Day 2 Leave Venue to Travel to Restaurant (tba)
07:00 PM	Dinner @ Restaurant (tba) (at own cost)

Day 3: 20th November

09:00 AM

Teamwork

Plenum	Expert Round Fixation of Results Deliverables
Plenum	What's Next? → Set up Future (Online) Meetings
Plenum Time & mood permitting	Coffee Break(s)
11:15 AM	Wrap up
12:30 PM	End of Hackathon

*Information on the BAM canteen (accessible from BAM site):

<https://www.gastfroh.de/resources/speisekarten/bam.pdf>

**Complimentary coffee and snacks are provided during the event

! Note: Agenda may be subject to change.
